

BORDEAUX

This region is often associated to remarkable super premium red wines. However, where Bordeaux truly excels is at crafting pleasure-oriented wines for everyday life, as exemplified by the likes of Chateaux Pilet and Fongaban.

The Left Bank has optimal conditions for Cabernet Sauvignon. The Right Bank is dominated by Merlot, which thrives on clay and limestone soils.

BURGUNDY

A myriad of sub-regions contributes to the variety of styles produced in Burgundy. Diversity is the word, despite a very limited number of grape varieties and no blending. Pinot Noir, Chardonnay and Gamay produce the best examples.

Our selection focuses on small producers, who have been consistently producing top level wines for many generations.

THE SOUTH

From Languedoc to Provence, passing through the Rhône Valley, there is great variety of wines in the South. Vineyards there are blessed with an ideal Mediterranean influence. The expression *Summer in a Glass* must come from these lands.

We have selected some exciting gems, which have become favorites at Topsy.

LOIRE VALLEY

The Loire vineyards extend from the Atlantic Coast almost all the way to Burgundy.

In this vast area, we decided to start with the two iconic villages that made the reputation of French Sauvignon Blanc across the world: the vibrant Sancerres and the broader Pouilly Fumés.

CHAMPAGNE

Champagne can be made from any blend of Chardonnay, Pinot Noir and Pinot Meunier. We chose a specialist of Pinot Meunier in the Marne Valley, who crafts ethereal Blancs de Noirs with refreshing character and very fine bubbles. Brut!

ARGENTINA

The new wave of Argentinian wines is simply irresistible. Departing from several decades of over ripe and over extracted style, some audacious winemakers now offer refreshing and original mountain wines.

After over a year of investigation and tastings we are finally bringing some of the best examples to Costa Rica.

TIPSY, your Wine Shop in Santa Teresa

After a career in wine in Bordeaux we, Natalia (Costa Rican) and Louis (French), moved to Santa Teresa to try and realize our dream of opening a **neighborhood wine shop** by the beach.

We started as a Wine Bar for a couple of years. This was a lot of fun, and ideal to meet wine lovers in town. It also helped us to understand what people like to drink in Santa Teresa. With this in mind, we started importing some of our favorite wines.

As years went by, we continued to research, visit vinegrowers in France at least once a year, taste and drink. After a **passionate and thorough process of selection**, each season we add a new batch of hand-picked gems directly from the vineyards.

In 2020, the bar became a shop and the next year little Julien joined our family.

In Topsy, you will find our selection of **direct imports** as well as wines from other Costa Rican importers. You will also discover a carefully curated offer of spirits, including delicious mezcals, tequilas and much more.

As a small family shop, we care a lot about your experience with Topsy. As wine lovers, we hope to help you find the best bottle for every occasion!
